NERF & NACHO NIGHT

Church Outreach & Evangelism Event

Hosted by Coaching KidMin
Equip. Empower. Impact.

MORE THAN AN EVENT. AN OPPORTUNITY TO CHANGE LIVES.

Summary of Event: What if one night of Nerf battles, nachos, laughter, and excitement could become the night a child gives their life to Jesus?

At Coaching KidMin, we believe children's ministry events should be more than entertainment. They should create opportunities for churches to connect with families, build relationships, share the Gospel, and make an eternal impact.

Nerf & Nacho Night is an exciting, high-energy outreach experience designed to bring kids into your church, introduce new families to your ministry, and create an unforgettable environment where children can encounter Jesus.

Coaching KidMin will partner with your church to help plan, promote, execute, and follow up after the event.

Our goal is simple: Fill the room. Share Jesus. Connect families. Follow up with new families. Build momentum for your ministry.
